Letter from Commodore Chad Radtke

Hello everyone... Can you believe it's April already?!?

Let the record show that a commodore is only as good as the team that supports him... I feel I've been truly blessed with everyone who has

stepped up to help me this year... I have so many people to thank for helping me through my first quarter of being your commodore... I hope I don't forget anyone...

First, I need to thank my beautiful wife, Adrienne, for her understanding and help with the Waves... I especially appreciate the editing of my article to keep me looking sharp... Next, I'd like to thank Heidi for making the Waves look so pretty every month.

Next I think we owe a great deal of thanks to Paula Feest and the rest of the Interclub Committee for the great job they did getting the party together... I'm pretty sure a good time was had by all.

Thirdly, how about Dick Kornely and Dave Franz for all the little, and not so little, projects they coordinate for us down here?!? I don't know how we'd get by without them.

Next, and again I have Dick to thank for this, is an article about all the things we can thank those who have paid the Special Assessment and made Free Will Donations:

For 2015, the special assessments equaled:
\$4,200.00
Free Will Donations equaled:
\$1,090.00
Total: \$5,290.00

All these funds go toward improvements and special building needs. None of the dollars go for general operations!

So far in 2016, moneys were used for the following:

- New sound and Mic system installed by A/V Dynamics \$1,564.00
- Gift in kind of Doug Richter's labor: no charge
- New Washer/Drier from Lowes \$1,594.00
- Luiser plumbing materials \$650.00
- Gift in kind of Dan Luiser's labor: no charge

- Garbage Disposal
- Gift in kind of parts & labor Luiser: no charge
- Gift in kind of Keith Laurent's labor: no charge

New Exhaust fan and sheet metal work for Kitchen Hood System
This job was done by Manitowoc Heating and Nichols Electric after a bid process. The old system became inoperable after more than 30 years and no longer met code. The fix required moving the exhaust to the roof with new duct work and suction fan.
Cost: \$5,000.00

We are finding as things go bad that many items are not to code and require professional repair.

All these repairs were assisted by a few club volunteers!

Thanks to loyal members and member businesses for their donations!

Total spent on building improvement was \$8,808.00 plus \$2,500.00 of gifts in kind.

Committee News

Social Committee

Paula Feest, Chairman

We have been very busy at the club. I would like to thank all members and guests who have been enjoying our facility. We will be having several parties and events in the upcoming weeks and would like to remind everyone to participate to help make them a success. Our Inter Club Party was a huge success. We had about 200 people attend. We met some amazing people from the other Yacht Clubs. The positive feedback we've received from those who attended was awesome. It was quite apparent we all had a good time. I most of all want to thank all the people who were involved in putting the party together. We know what a huge effort it took to make the event so successful. I would like to thank the committee heads and all the volunteers who helped, prior to, and on the day of the event. I would also like to thank our Yacht Club members for all the donations that were provided. Everyone had a fabulous time that evening. The grand success of the event is due in large part to you and your efforts. On behalf of our Yacht Club, thank you for sharing your energy, talents, and most of all your time.

April and May we have many exciting events planned, - Hamburger/Chili night, Triple D's Bar-B-Que night, Annual Smelt Fry, Kentucky Derby Party, and Couples Steak Night. We hope you take the time to attend. All of these are posted in the Waves as well as at the club.

See you at the club!

Paula

We would like to thank everyone that helped make the Chicken Dinner a success. This is a big undertaking and it takes a lot of people to make it a success. We could not have done it without the help of everyone. It may have been food prep, donating prizes, serving and/or cleanup but most important eating the chicken. Thanks to all! Dan and Sandy Klein
