Letter from Commodore Chad Radtke

Can you believe it's October already?!? Where did summer go???

Update on the state of the Capitol Improvement Fund... It's empty. We had to replace the mini-split air conditioner in the White Swan room for roughly \$6,000 and are currently working on replacing the floor behind the bar.

The October membership meeting is coming up on October 25th. Besides the

vote for the new board members, we'll also be voting on increasing the

See you at the club!

LADIES OF THE YACHT CLUB

Sandy Murray, President

The Ladies of the Yacht Club met on September 12 for our first meeting of the 2016-2017 year. A lot of great ideas were discussed and programs are in place for the

upcoming months ahead. We are looking forward to another fun and interesting year on that first Monday evening of the month.

We will meet again on October 3 when we will have our steak or peel & eat shrimp dinner. It is always a delicious meal and a wonderful evening.

A reminder once again of our Coats for Kids campaign that is going on right now. Anyone who is interested in participating can bring a new or gently used and clean coat or jacket to the Yacht Club where there is a box in the bar area. Thank you for your help and support.

Interested in learning more about the United States Coast Guard Auxiliary?

By Ron Stokes

The U. S. Coast Guard Auxiliary is a volunteer service organization (much like the Civil Air Patrol) composed of men and women who actively support maritime safety and security missions, as well as, provide administrative and support services. The Auxiliary was established by Congress in 1939 and is currently expanding its role within the Coast Guard Team. The Auxiliary is authorized to perform all missions that Congress has authorized the Coast Guard to perform, with the exception of direct law enforcement and military action. The Two Rivers Auxiliary Flotilla provides services such as patrols at different community events, checks aids to navigation, teaches boating safety and training, and search and rescue, etc. The Two Rivers Flotilla has it's own 21 foot patrol boat for use in the "on the water" missions. If you think that you may be interested in learning more about the Auxiliary, call John at [\(920\) 775-4916](tel:9207754916) or Don at [\(920\) 775-2156](tel:9207752156) or visit the national web site at www.cgaux.org. There is also a Facebook page - look for the Two Rivers Auxiliary.
