Letter from Commodore Ed Hansen

Summer is Blowing Bye!

August is done and the Flotilla has sailed here and home again. Thanks go out to the Sailing Committee especially Tracy Virnoche, Jane Hurst and crew and all who volunteered to make this a special first try. Next year is our turn. The weather didn't cooperate but afforded our guests from Ludington a chance to enjoy Friday Night dining. I got many compliments about our club and our hospitality. "Thanks" to all who helped!

Speaking of Friday Night dining and other events, "No Glass" on the patio is the rule. Please follow it. The BIG news is the city has decided to move the Mariners Trail to the eastside of the club. The land the club sits on belongs to the city and we only lease it. I met with Mayor Nickels and Councilman Lee Kummer, both members, last Friday and they shared the city's plan. The primary reason is

safety. We have three drive ways and the plan calls for revamping and widening the route from the YMCA to the Little Manistowoc River where they'll put in a pedestrian bridge. The monies are in the 2018/19 budget. The planned route is posted at the club and the favored route would be the one farthest to the east which would have the least impact of the view from the club.

And again, keep Tom and Barb Sitkiewitz in your prayers! He's recovering slowly and an extra prayer or two still helps. And

don't forget Ron and Dolly Stokes. Ron continues to be Ron and is getting stronger, but a few extra prayers wouldn't hurt either.

Thank you to Bob Lockington and crew for stepping up and sponsoring this month's Steak Night next Tuesday, September 12th, and "Thank You" to Jan Van Eycke who stepped up and sponsored August's Steak Night. She and the apprentices and volunteers did a great job!

Final note, enjoy September at your Club, summer is fading!

Paula Feest, Chairman

I believe the fall season is upon us. Our summer sure flew by, but then again, don't they all every year? We had a great event with our folks from Ludington with our 2017 Flotilla on August 3rd. What a neat group of people. It was also nice to see that our club was well represented that evening. There were many kind words expressed by our guests as to how nice of a club we have. They stated that our club is much larger than theirs. They also stated that they do not have any hired chef on staff, for their members do all the cooking. Many of them spent their Friday night dining at the club. There was one thing we do have in common though, they are a social club and they too, do not have a marina of boats tied to their club. Next year we plan on taking our club across the

lake to their club for some fun. A big shout out to Tracy Virnoche and the sailing committee. You did an amazing job at putting this all together. Well done. I cannot wait to see what the sailing committee has planned for upcoming events.

Thank you all to everyone at the club who participates in events. It really is important to participate in order to help keep the club running. It also is good so that you all can get to know one another. We have great people at the club, take time to get to know them.

See you at the Club!

House Committee

Jim Kocian, Chairman

The club continues to do well on Friday nights. Thanks to you the members. We have served a total of 5,173 diners as of September 1st. That is 73 diners ahead of last year.

I want to thank our Friday night staff in the galley, the bartenders, our dining room staff and our cashier in the White Swan Room for all their work. Also want to give a shout out to our Thursday night veggie crew, along with our garlic bread crew.

Just some menu news, September 8th is Roast Duck and September 29th is Prime Rib.

Thanks to our patrons who support us and enjoy this beautiful club.

Enjoy this late Summer and the upcoming Fall.

Jim

Ladies of the Yacht Club

Sandie Murray, President

Ladies, our summer vacation is over! We will start the 2017/2018 year on Monday, September 11, the only time that we meet on the second Monday of the

month because of Labor Day on the 4th. Our meeting will be at the Yacht Club at 6:45 p.m. We have some new programs in mind for the upcoming year, but please come with any ideas that you may have to discuss. Together, we will make it an interesting and enjoyable schedule for everyone.

As always, our club is open to having new members. Anyone who is interested in joining is welcome. You are invited to attend any of our meetings, or contact me or one of the officers if you have questions.
