Letter from Commodore Dick Nitsch

I begin this letter with the hopes that everyone had a GREAT Christmas season and wish health and happiness to all in the New Year. This is my first letter in the WAVES as incoming commodore for the 2022 calendar year. I am looking forward to the opportunities and the challenges that will come with this responsible position. My focus will always be what is in the best interest of the club and its members. I only hope that I can live up to the legacy of leadership that has been modeled by my predecessors.

I am happy to report that all of the apprentices who were looking to meet their meeting and volunteer requirements during the 2021 calendar year have met all of the requirements and have moved on to full Yacht Club membership. That group included apprentices for the 2021 calendar year as well as a number of apprentices from the 2020 calendar year who did not have an opportunity to complete the requirements because of a COVID club shutdown. At this point, we have 18 new club apprentices for the 2022 calendar year and are waiting to hear from 5 more potential members.

The first Yacht Club social event of the 2022 calendar year will take place on Sunday January 16th with the orientation of the new club members (apprentices). This is an opportunity to get to know the new club members and welcome them to the club. We strongly encourage club members who have sponsored a new member to be there as a sign of support and to provide a familiar face. This event is open to all club members and I encourage you to come down to the club for this important social. We ask club members to consider bringing a snack to share, but it is not required to participate. I anticipate that the apprentice orientation will begin by 1:00 p.m., but club

members and apprentices will gather before that.

I will be meeting with John Glaeser and the social committee to prepare a social calendar for 2022. That will include all of the regularly scheduled social events that are held at the Manitowoc Yacht Club during the course of the year. Certainly there will be plenty of room on the calendar for additional events that will bring our membership together. I am pleased that Connie Barbier and her significant other Greg, have agreed to chair the social committee. I am excited about the creativity and enthusiasm they bring to the committee.

I think that most club members know that email messaging has become the primary form of communication used by the Manitowoc Yacht Club. Please check with John Glaeser if you are not receiving email messages from the club. We want to make sure that we

I am hoping to have a very

productive year as your commodore. I am looking forward to working closely with Mike Haucke who has stepped up to serve as Vice Commodore and with Fred Schmoock who was recently elected to serve the Manitowoc Yacht Club as Rear Commodore. I am counting on the support of the Yacht Club Board and the general membership throughout the year. Best Regards

Come on down and enjoy your club for drink or two, Friday night dining, steak night and all the other club events.

A reminder the bar is open from 6am to 2am.

If you have any questions, you can contact the club or me and I will respond.
