## Letter from Commodore Dick Nitsch

I hope that everyone is healthy as we wrap up the final months of our Wisconsin winter. The Manitowoc Yacht Club just had its first big social event of the calendar year. The annual Swedish Pancake Breakfast was held on Sunday February 20<sup>th</sup>. It was an incredible event and was well attended by members and their guests. I would like to thank everyone who stepped forward to volunteer to help with the event. I really enjoyed watching long time members of the club working side-by-side with our newest members (apprentices). I would also like to thank all members who brought in baked goods for our dessert bar. The selection of homemade baked goods was incredible and appealing enough to satisfy the biggest sweet tooth. If you have not worked or attended a Swedish Pancake breakfast in the past, please plan to do so in February 2023. It is an incredible start to our social calendar.

At our last board meeting, John Glaeser (our club manager) reported that our January Friday night dining numbers were up quite a bit from the previous month. I cannot think of any place in Manitowoc County that offers a better setting for dining. I am sure that you are aware of the fact that the Manitowoc Yacht Club works hard to keep the prices reasonable in the dining room and at the bar. Prices for dining are higher than they were perhaps a year ago,

but I am sure that you are aware of the increased price of goods. Support your Yacht Club by coming down for Friday night dining.

John Glaeser has worked hard to secure workers for Friday night dining. Finding good and reliable workers in today's market is challenging. There are times when John needs to reach out to members (regular and apprentice) to try to fill a spot that may be open because someone called in sick or just did not show up. He is often scrambling to fill a Friday night dining need (register, bussing, fry cook) within 24 hours or less of dining time. I would like to ask our membership (regular and apprentice) if you would consider stepping forward to be on call to help on a Friday one time every two or three months. There is a good chance you would not be

called to duty on the Friday that you are on call, but it would give John some security in knowing that there is someone he can call if needed. It would take only 8 volunteers to make it a once every other month commitment, 12 to make it a quarterly commitment, and 16 to make it .... etc. Please contact me at [dnitsch1122@gmail.com](mailto:dnitsch1122@gmail.com) if you could be a Friday night stand-by person once every 8 weeks or less. I may be sending out an email message to all members to further promote this idea.

I am also looking for a few good people to join our House or Social committees. We currently have a strong foundation for the committees with 5 members on each. The Social Committee is co-chaired by Connie Barbier and Greg Krahenbuhl and the House chair is yet to be determined. You can express interest in either committee by sending me an email message at [dnitsch1122@gmail.com](mailto:dnitsch1122@gmail.com). Be sure to look for March social activities in this edition of the WAVES.

Please feel free to contact me at 920-242-2299 or at [dnitsch1122@gmail.com](mailto:dnitsch1122@gmail.com) if you have any questions or concerns. I would also enjoy hearing about the positive experiences that you have had while using your Manitowoc Yacht Club.

## Apprentice News

By: Mike Haucke—  
Vice Commodore

Our Apprentices are moving right along with fulfilling their requirements to become full members. Quite a few volunteer hours were completed at the Swedish Pancake breakfast.

I continue to look for volunteer opportunities for the Apprentices. If you need volunteers for any MYC-hosted event, let me help you get the volunteers you need. I have learned how to use TimeToSignUp, the electronic

volunteer sign-up system, and I can help you make a sign-up sheet to meet your needs, or I can create it for you. All you have to do is contact me at [mjhaucke@gmail.com](mailto:mjhaucke@gmail.com) or 206-818-7701.

We want to put together a list of members who could help out when we get in a bind for Friday night food cashier, Friday night fry cook, and Friday night dishwasher. We have employees for these positions, but we have to scramble every once in a while when one of those employees can't make it. If you are willing to help in one or

more of those positions, please let me know. This appeal is to all members and Apprentices.

I want to give a major shout-out and big thank you to Past Commodore Randy Drumm for handling the Apprentice bar training. Randy's training includes more than just bar training because he includes a hands-on extension of Club orientation. Thank you, Randy!

Please contact me if you have questions or want more details. [mjhaucke@gmail.com](mailto:mjhaucke@gmail.com) or cell 206-818-7701

Stay safe and healthy!!
