Letter from Commodore John Bock

Well, another Fourth on the Shore is in the books, and I cannot say Thank You enough to the Jordon's and the Schalbe's for their leadership along with the entire committee members and volunteers that made this Fourth on the Shore a success. Too many people to thank but I want to let you all know that I thank you all! Overall, comments on the NEW layout of the band area have been very positive.

Special thanks to Tina Burbey for taking control of the Clothing Sales Table! All that remains to be sold is on the rack in the White Swan room at reduced prices. Through her efforts we are at the point that all sales now will represent a small profit for the Club. In the future, we will establish an "online clothing store" where purchases are made directly online.

The New and Improved Website is up and running, but there are still some tweaks that need to be completed that Chris and team are working on. You can check out the current page

Let us know what you think, as mentioned, it is still "a work in progress" but moving along rapidly.

their crew of "Apprentices", thanks for stepping up! You will be successful, and help is there for the asking if needed.

At the board meeting last week, Bob Zur announced that he will be resigning his position on the board of directors at the end of this year. That will leave an opening for his remaining term. If this is something anyone is interested in, please think about running for the board of directors. There will be a signup sheet coming soon for all board openings that will be voted on at the Annual Meeting in October.

The membership meeting for July was better attended than in the past months. Reminder, the membership meetings are your time to

Apprentice News

By: Mike Herrmann -Vice Commodore

You passed midway point of the year, and our apprentices are on their way to completing their requirements. There are four months remaining to make meetings. We have the corn roast scheduled for the end of August and

there are apple steak nights yet where the apprentice is can collect some hours. Additionally, the fall cleanup would be a good time to collect a large number of hours. All the apprentices are aware of their requirements which are posted on the bulletin board. Several apprentices have completed their allotment and continue to

provide volunteer hours at the club. I thank them for their commitment to this organization.

Don't forget to complete your pink slip for the hours worked.

You can contact me at: manitowocyachtclub@gmail.com if you have any questions or concerns.

House Operations

By: Mike Herrmann –Rear Commodore

We have made it to the midway point of summer and there are plenty of events going on at the club. We've completed the fourth on the shore, which overall went very well. Tina Burbey held some clothing sales to get rid of our stock. Thanks to some pre-sales and Fourth on the Shore sales we have been able to pay for the cost of the clothing. We are looking to move the rest of the clothing, and they have been marked down for a quick sale. Check the racks the next time you are at the club. We will be looking into an online store which will be added to our new website.

Speaking of websites, the new website is up and running. You can find it at manitowoc yachtclub.org or manitowoc yachtclub.com. Head over there and check it out when you have a free minute. There are some final adjustments that are happening, but I would like to thank Chris Hytry-Derrington for all the work. He and Karen Oliver-Kreft (developer) did on the new site. Thank him when you have an opportunity to.

Thanks to Tina Burbey, Dick Kornely, and Dave Franz for the work that they have been doing at the club. The office and other areas have been cleaned up and re-organized. While doing this, we have also noted that the quarters behind the back bar need to be replaced. These coolers are 45+ years old and have served the club well. It's time to look to upgrade this equipment. Keith Laurent, Dick Kornely and I are looking into it.

Friday night dining continues to improve slightly. We are consistently over 100 hundred guests having one week this month with 133. You'll see some new faces in the dining room as we prepare for several of our kids to move on to college. Good luck to them in their future endeavors.

As we near fall we will be looking to hold our fall cleanup. The spring cleanup was well attended, and we are hoping that the fall cleanup will be a success as well. As we did a significant cleanup in spring, we hope that the fall cleanup will be a little easier. This is tentatively scheduled for October 18 with a back up date of November 1 for weather.

This is your club and we are thrilled when members take advantage of the benefits of membership. We encourage members to come in and use the facility with a couple of your friends or family, especially when there are no other functions going on. Several members have hosted parties here in the last few months and their guests all comment on how beautiful our venue is. So much so that many call later asking how they can rent our space. Remember, that a member must sponsor these events as we are not open to the public.

As always, if you have any questions, comments, or concerns please feel free to message me on the MYC email or my email at flh01rider@gmail.com with any questions, concerns or compliments regarding the Friday night dining or any other house related issues.
